This weekend thousands of Oakville residents will be heading to the Glen Abbey Community Centre on Third Line. The 19th exciting, annual **Oakville Lifestyle Fall Home Show** will be running again September 7, 8 and 9. The Grand Opening is 3 p.m. Friday!

Come enjoy the Home Show - discover what's new for your home and save money on just about everything you can think of from kitchens to roofing, replacement windows to the region's top renovators! And seniors are FREE all day Friday from 3 p.m. to 8 p.m.

Be sure to enter for a chance to win $1000. cash at the ipads located near the show entrance!

All weekend you will also be able to enjoy free educational seminars presented by the Sciensational Ssssnakes. This excellent educational display features live snakes from all over Ontario. Other local reptile animals are also featured. Great knowledge for kids and adults alike.

The Fall Home Show is produced by Jenkins Show Productions - who have been producing the spring Oakville Lifestyle Home Show for the last 29 years at the Glen Abbey Community Centre. Show Manager Sharon Jenkins stated, "We are very excited about all the new – and old – exhibitors that Oakville residents will see this weekend! We have probably the best selection ever of top renovators at the show this year so it will be great place to compare your renovation options and see what's new. The home show is a super place to be able to talk casually face to face with home improvements experts and save money at the same time on exclusive "home show" specials."

New to the show this year is an amazing display by Das King of some of Canada's finest paddleboards and kayaks. Probably the most colourful booth at the show! And somewhat related, and just as colourful, is the Muskoka Chair Company, great chairs for the backyard or the cottage. The Muskoka Chair Company just opened up a new store on Speers Rd. here in Oakville.

The biggest advantages of a local show is that you can shop early for all your fall needs in one place, on one weekend, in a very informal environment! You will be supporting local companies who employ local citizens. They are offering some terrific, money saving, end-of-season clearances on everything from replacement windows to kitchen renovators to HVAC.

Just some of the great items and services you can expect to save money on at the **Home Show** include: sunrooms, furnaces and air conditioners, Telus, Sun Life, Costco, home security, roofing and Leaffilter gutter replacements. You'll see kitchen renovators, bathroom remodeling, travel experts, vacation properties, Shelf Genie, carpet cleaning, Express Heat Therapy, makeup, skincare, smart home systems, artificial grass, Matt Jenkins Photography, healthy eating experts, photographers, granite counter tops, energy saving companies, basement finishing systems, blinds, shutters, drapery, and many "lifestyle exhibits" including financial and insurance advisors, and wellness consultants.. Other displays include: kitchen refacers, replacement doors, painters, Oakville Fire Department and many more of Oakville's finest businesses.

Jenkins continued, "Each company exhibiting has their own objective for being involved in the Home Show. Some companies are looking for broader, local exposure, others are looking to sell off excess or end-of-season inventory, or launch a new product line. Others use the show to train staff or do market research. It is rare to be able to converse with thousands of local homeowners in such a tight, one weekend time frame. It's a very efficient and cost effective method of doing business. Interested exhibitors can contact Sharon, Matt or Dave Jenkins of Jenkins Show Productions at 905-827-4632. Jenkins Show Productions also organizes the Ancaster Lifestyle Fall Home Show, October 14 to 16. Companies wishing to exhibit can now print out a reservation form with pricing and a floor plan from www.jenkinsshow.com.
